POSTAGE CHARGES FOR EXCHANGES (NOT REFUNDS)

If you have purchased the wrong size, or wrong item you **MUST** include the postage costs with this form for your return to be processed. Our margins don't allow us to pick up return postage costs. As a concession, we charge 50% of the original postage charge

If you wish to exchange a glove, and the postage was £4 please include £2 with the glove - if you need to exchange a jacket and the postage was £12 please include £6 with the jacket.

Cheque or cash in an envelope is fine - we cannot charge your credit card.

To return small items, please use Royal Mail. To return large items over 2kg (jackets etc) the cheapest way is to use www.parcel2go.com

Our returns address is below, please allow a few days for postage and the return to be processed.
