POSTAGE CHARGES FOR EXCHANGES

If you have purchased the wrong size, or wrong item you **MUST** include the postage costs with this form for your return to be processed. Our margins don't allow us to pick up return postage costs. As a concession, we charge 50% of the original postage charge

For example:

If you wish to exchange a glove, and the postage was £4 please include £2 with the glove - if you need to exchange a jacket and the postage was £14 please include £7 with the jacket.

Cheque or cash in an envelope is fine - we cannot charge your credit card.

REFUND []

Your refund will be sent to your original method of payment, allow 2-4 days to complete

To return small items, please use Royal Mail. To return large items over 2kg (jackets etc) the cheapest way is to use www.postagesupermarket.co.uk

Our returns address is below, please allow a few days for postage and the return to be processed.
